ITEM 14.E.1

**INDIAN RIVER COUNTY
BOARD OF COUNTY COMMISSIONERS**

INTER-OFFICE MEMORANDUM

TO: Members of the Board of County Commissioners

DATE: January 16, 2018

SUBJECT: Discussion and Action Request –
Welcome Entry Signs at Key Locations in Indian River County

FROM: Tim Zorc
Commissioner, District 3 

Discussion Item:

I would like to revisit an item brought to the Board for discussion on January 19, 2016, regarding County signage at US 1 South. Following that discussion, staff was directed to look at all options for appropriate signage for Indian River County, with the idea that over time signage may be placed at multiple locations at entry points into the County. Attached is an excerpt from the Minutes of the Meeting of January 19, 2016.

I would like to obtain an update on the progress of signage into the County.
