**DATE:** February 10, 2020

**DESCRIPTION AND CONDITIONS**

Construction of Osprey Acres Flowway and Nature Preserve (Osprey Acres) is complete. As part of the construction contract closeout process with contractor West Construction, Inc., Part B of the construction contract and a subsequent addition that increased Part B's scope, were deleted through Work Change Directives. Part B of the construction contract and the subsequent scope addition were for landscape maintenance and exotic control of the developed site (less Shallow Marsh 2) and would have amounted to a fee of \$41,142.94 over a nine-month contract period. GK Environmental, Inc. is currently providing similar services for Shallow Marsh 2 in Osprey Acres.

Funding in the amount of \$25,650 for the proposed Work Order No. 5 is budgeted and available in Transportation Fund/Stormwater/Other Contractual Services-Osprey Acres, Acct# 11128138-033490-16022.
