

**INDIAN RIVER COUNTY, FLORIDA
MEMORANDUM**

CONSENT

TO: Jason E. Brown, County Administrator

THROUGH: Richard B. Szpyrka, P.E., Public Works Director

THROUGH: James W. Ennis, P.E., PMP, Assistant Public Works Director

FROM: Robert S. Skok, Infrastructure Project Manager

SUBJECT: **Community Aesthetic Feature Agreements
Indian River County Welcome Signs, Project No. IRC-1816**

DATE: April 23, 2020

DESCRIPTION AND CONDITIONS

On April 3, 2018, the Board of County Commissioners (Board) selected and approved the final design and locations for County Welcome Signs. On April 17, 2018, the Board approved an Engineering Service Agreement for Professional Services with MBV Engineering, Inc to provide site plan design and permitting services for each of the four previously approved sign locations

Three of the proposed sign locations fall within Florida Department of Transportation (FDOT) right of ways. As part of the permitting process, FDOT requires Community Aesthetic Feature Agreements to be approved by the Board for each roadway as well as a Resolution authorizing the Board of County Commissioners to execute the Agreements prior to issuing right-of-way permits where a sign installation is proposed. Two locations are within the US-1 corridor (one Agreement for both) and one location on SR 60.

FUNDING

No funding is required for this item.

RECOMMENDATION

Staff recommends the Board approve the agreements and recommends adopting the Resolution and authorizing the Chairman to sign the Agreements.

ATTACHMENTS

1. CAFA Agreement for SR 5 (US Highway 1)
