The Indian River County Board of County Commissioners executed an agreement with the Florida Division of Emergency Management on September 20, 2022 for the Emergency Management Performance Grant (EMPG). The EMPG grant is used to enhance and improve emergency management mitigation, planning, response and recovery directly affecting the lives and property of Indian River County residents and visitors. All provisions not in conflict with this modification remain in full force and effect and are to be performed at the level specified in the agreement.

An increase of funding, in the amount of \$25,664.69, will be allocated to the General Fund/Emergency Management/Other Operating Supplies/EMPG account, number 00120825-035290-05050.
