Florida Sea Turtle Grants Program Committee,

Indian River County Board of County Commissioners fully supports the lighting study titled *“Demystifying Hatchling Disorientation: Identification of Light Sources and Potential Factors Affecting Hatchling Disorientation”* by Dr. Mariana Fuentes and encourages the Committee to award this grant application. The County recognizes that the goals and aim of this study will further advance the Indian River County Sea Turtle Habitat Conservation Plan. The County has agreed to support the study by contributing staff time and the use of County equipment. Please consider this contribution as match.

Thank you for your consideration of this grant application.
