Good Afternoon Joe,

Thank you so much for meeting with me yesterday. Per our conversation, I will be relocating to the Kimley-Horn St. Petersburg office on 09/02/2025 to join our group that specializes in resiliency engineering/flood management. Unfortunately, due to the relocation, I will no longer be able to participate in the Beach and Shores Preservation Advisory Technical Committee. To say that I have learned SO much from joining this board would be an absolute understatement. Serving these past 3 years has been a true honor. Thank you again for the opportunity and please stay in touch!

Kindest Regards,

**Shelby Graziani, P.E. (FL)**
