Indian River County Sheriff's Office

December 7, 2021

The Honorable Peter D. O'Bryan, Chairman  
Indian River Board of County Commissioners  
1801 27th Street  
Vero Beach, FL 32960-3388

Dear Chairman O'Bryan:

In the Agency's ever-evolving strategies to improve the safety of the community and saving tax dollars through agency partnership, I am asking for time on your agenda to discuss access to the County's traffic cameras for our newly established Real Time Crime Center (RTCC).

By having this access, RTCC will be able to view live camera feeds during events in order to provide the best up-to-date information to our law enforcement deputies. These cameras will not be recorded and will be used in conjunction with our burgeoning License Plate Reader systems. I look forward to discussing this topic with you, to show how this will make our entire community a safer place to live, work, and play.

Please place this item under Constitutional Officers for the December 14, 2021 board agenda for discussion.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Flowers".
