WHEREAS, such benefits are for the ultimate good of the State of Florida, its resources, wildlife, and public welfare.

NOW THEREFORE, the Commission and the Grantee, for the considerations hereafter set forth, agree as follows:

1. PROJECT DESCRIPTION.

The Grantee shall provide the services and perform the specific responsibilities and obligations, as set forth in the Scope of Work, attached hereto as Attachment A and made a part hereof (hereafter, Scope of Work). The Scope of Work specifically identifies project tasks and accompanying deliverables. These deliverables must be submitted and approved by the Commission prior to any payment. The Commission will not accept any deliverable that does not comply with the specified required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If this agreement is the result of Grantee responses to the Commission’s request for competitive or other grant proposals, the Grantee’s response is hereby incorporated by reference.

2. PERFORMANCE.

The Grantee shall perform the activities described in the Scope of Work in a proper and satisfactory manner. Unless otherwise provided for in the Scope of Work, any and all equipment, products or materials necessary or appropriate to perform under this Agreement shall be supplied by the Grantee. Grantee shall obtain all necessary local, state, and federal authorizations necessary to complete this project, and the Grantee shall be licensed as necessary to perform under this Agreement as may be required by law, rule, or regulation; the Grantee shall provide evidence of such compliance to the Commission upon request. The Grantee shall procure all supplies and pay all charges, fees, taxes and incidentals that may be required for the completion of this Agreement. By acceptance of this Agreement, the Grantee warrants that it has the capability in all respects to fully perform the requirements and the integrity and reliability that will assure good-faith performance as a responsible Grantee. Grantee shall immediately notify the Commission's Grant Manager in writing if its ability to perform under the Agreement is compromised in any manner during the term of the Agreement. The Commission shall take appropriate action, including potential termination of this Agreement pursuant to Paragraph nine (9) below, in the event the Grantee's ability to perform under this Agreement becomes compromised.

3. AGREEMENT PERIOD.

A. Agreement Period and Commission's Limited Obligation to Pay. This Agreement is made pursuant to a grant award and shall be effective upon execution by the last Party to sign, and shall remain in effect through 09/30/2020. However, as authorized by Rule 68-1.003, F.A.C., referenced grant programs may execute Agreements with a retroactive start date of no more than sixty (60) days, provided that approval is granted from the Executive Director or his/her designee and that it is in the best interest of the Commission and State to do so. For this agreement, the retroactive start date was not approved. The Commission's Grant Manager shall confirm the specific start date of the Agreement by written notice to the Grantee. The Grantee shall not be eligible for reimbursement or compensation for grant activities performed prior to the start date of this Agreement nor after the end date of the Agreement. For this agreement, preaward costs are not eligible for reimbursement. If necessary, by mutual agreement as evidenced in writing and lawfully executed by the Parties, an Amendment to this Agreement may be executed to lengthen the Agreement period.

4. COMPENSATION AND PAYMENTS.

A. Compensation. As consideration for the services rendered by the Grantee under the terms of this Agreement, the Commission shall pay the Grantee on a cost reimbursement basis in an amount not to exceed \$22,100.00.

B. Payments. The Commission shall pay the Grantee for satisfactory performance of the tasks identified in Attachment A, Scope of Work, as evidenced by the completed deliverables, upon submission of invoices, accompanied by supporting documentation sufficient to justify invoiced expenses or fees, and after acceptance of services and deliverables in writing by the Commission's Grant Manager identified in Paragraph ten (10), below. Unless otherwise specified in the Scope of Work, invoices shall be due monthly, commencing from the start date of this Agreement. Invoices must be legible and must clearly reflect the Deliverables that were provided in accordance with the terms of the Agreement for the invoice period. Unless otherwise specified in the Scope of Work, a final invoice shall be submitted to the Commission no later than forty-five (45) days following the expiration date of this Agreement to assure the availability of funds for payment. Further, pursuant to Section 215.971(1)(d), F.S., the Commission may only reimburse the Grantee for allowable costs resulting from obligations incurred during the agreement period specified in Paragraph three (3).

- C. Invoices.** Each invoice shall include the Commission Agreement Number and the Grantee's Federal Employer Identification (FEID) Number. Invoices, with supporting documentation, may be submitted electronically to the attention of the Commission's Grant Manager identified in Paragraph ten (10), below. If submitting hard copies, an original and two (2) copies of the invoice, plus all supporting documentation, shall be submitted. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. Grantee acknowledges that the Commission's Grant Manager shall reject invoices lacking documentation necessary to justify invoiced expenses.
- D. Match.** Pursuant to grant program guidelines, the Grantee is not required to contribute non-federal match towards this Agreement. If applicable, details regarding specific match requirements are included in Attachment A, Scope of Work.
- E. Travel Expenses.** If authorized in Attachment A, Scope of Work, travel expenses shall be reimbursed in accordance with Section 112.061, F.S.
- F. State Obligation to Pay.** The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation and authorization to spend by the Legislature. The Parties hereto understand that this Agreement is not a commitment to future appropriations, but is subject to appropriation and authority to spend provided by the Legislature. The Commission shall be the final authority as to the availability of funds for this Agreement, and as to what constitutes an "annual appropriation" of funds to complete this Agreement. If such funds are not appropriated or available for the Agreement purpose, such event will not constitute a default on behalf of the Commission or the State. The Commission's Grant Manager shall notify the Grantee in writing at the earliest possible time if funds are not appropriated or available.
- G. Non-Competitive Procurement and Rate of Payment.** Section 216.3475, F.S., requires that under non-competitive procurements, a Grantee may not receive a rate of payment in excess of the competitive prevailing rate for those services unless expressly authorized in the General Appropriations Act. If applicable, Grantee warrants, by execution of this Agreement, that the amount of non-competitive compensation provided in this Agreement is in compliance with Section 216.3475, F.S.
- H. Time Limits for Payment of Invoices.** Payments shall be made in accordance with Sections 215.422 and 287.0585, F.S., which govern time limits for payment of invoices. Section 215.422, F.S. provides that agencies have five (5) working days to inspect and approve Deliverables, unless the Scope of Work specifies otherwise. If payment is not available within forty (40) days, measured from the latter of the date the invoice is received or the Deliverables are received, inspected and approved, a separate interest penalty set by the Department of Financial Services pursuant to Section 55.03(1), F.S., will be due and payable in addition to the invoice amount. Invoices returned to a Grantee due to preparation errors will result in a payment delay. Invoice payment requirements do not start until a properly completed invoice is provided to the agency.
- I. Electronic Funds Transfer.** Grantee agrees to enroll in Electronic Funds Transfer (EFT), offered by the State's Chief Financial Officer, within thirty (30) days of the date the last Party has signed this Agreement. Copies of the Authorization form and a sample blank enrollment letter can be found on the vendor instruction page at:

http://www.fldfs.com/aadir/direct_deposit_web/Vendors.htm

Questions should be directed to the State of Florida's EFT Section at (850) 413-5517. Once enrolled, invoice payments will be made by EFT.

- J. Vendor Ombudsman.** A Vendor Ombudsman, whose duties include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from a State agency, may be contacted at (850) 413-5516 or by calling the Chief Financial Officer's Hotline, (800) 342-2762.

5. RETURN OR RECOUPMENT OF FUNDS.

- A. Overpayment to Grantee.** Pursuant to Section 215.971(1)(e)&(f), F.S., the Grantee shall return to the Commission any overpayments due to unearned funds or funds disallowed pursuant to the terms of this Agreement that were disbursed to Grantee by the Commission. In the event the Grantee or its independent auditor discovers that overpayment has been made, the Grantee shall repay said overpayment within forty (40) calendar days without prior notification from the Commission. In the event the Commission first discovers an overpayment has been made, the Commission will notify the Grantee in writing. Should repayment not be made in a timely manner, the Commission shall be entitled to charge interest at the lawful rate of interest established pursuant to Section 55.03(1), F.S., on the outstanding balance beginning forty (40) calendar days after the date of notification or discovery. Refunds should be sent to the Commission's Grant Manager, and made payable to the "The Florida Fish and Wildlife Conservation Commission."
- B. Additional Costs or Monetary Loss Resulting from Grantee Non-Compliance.** If the Grantee's non-compliance with any provision of the Agreement results in additional cost or monetary loss to the Commission or the State of Florida to the extent allowed by Florida Law, the Commission can recoup that cost or loss from monies owed to the Grantee under this Agreement or any other agreement between Grantee and the Commission. In the event the discovery of this cost or loss arises when no monies are available under this Agreement or any other agreement between the Grantee and the Commission, the Grantee will repay such cost or loss in full to the Commission within thirty (30) days of the date of notice of the amount owed, unless the Commission agrees, in writing, to an alternative timeframe. If the Grantee is unable to repay any cost or loss to the Commission, the Commission shall notify the State of Florida, Department of Financial Services, for resolution pursuant to Section 17.0415, F.S.

6. COMMISSION EXEMPT FROM TAXES, PROPERTY EXEMPT FROM LIEN.

- A. Commission Exempt from Taxes.** The Grantee recognizes that the State of Florida, by virtue of its sovereignty, is not required to pay any taxes on the services or goods purchased under the terms of this Agreement. Grantee is placed on notice that this exemption generally does not apply to nongovernmental entity recipients, subrecipients, contractors, or subcontractors. Any questions regarding this tax exemption should be addressed to the Commission Grant Manager.
- B. Property Exempt from Lien.** If the Grant involves the improvement of real property titled to the State of Florida, then the following paragraph applies:

The Grantee acknowledges that Property being improved is titled to the State of Florida, and is not subject to lien of any kind for any reason. The Grantee shall include notice of such exemptions in any subcontracts and purchase orders issued hereunder.

7. MONITORING.

The Commission's Grant Manager shall actively monitor the Grantee's performance and compliance with the terms of this Agreement. The Commission reserves the right for any Commission staff to make scheduled or unscheduled, announced or unannounced monitoring visits. Specific State and Federal monitoring terms and conditions are found in Attachment B, Audit Requirements. Additionally, monitoring terms, conditions, and schedules may be included in Attachment A, Scope of Work.

8. TERMINATION.

- A. **Commission Termination.** The Commission may unilaterally terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days of written notice of its intent to terminate. The Grantee shall not be entitled to recover any cancellation charges or lost profits. The Grantee may request termination of the Agreement for convenience.
- B. **Termination – Fraud or Willful Misconduct.** This Agreement shall terminate immediately in the event of fraud or willful misconduct. In the event of such termination, the Commission shall provide the Grantee with written notice of termination.
- C. **Termination – Other.** The Commission may terminate this Agreement if the Grantee fails to: 1.) comply with all terms and conditions of this Agreement; 2.) produce each deliverable within the time specified by the Agreement or extension; 3.) maintain adequate progress, thus endangering the performance of the Agreement; or, 4.) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences for default. The rights and remedies of the Commission in this clause are in addition to any other rights and remedies provided by law or under the Agreement. The Grantee shall not be entitled to recover any cancellation charges or lost profits.
- D. **Termination - Funds Unavailability.** In the event funds to finance this Agreement become unavailable or if federal or state funds upon which this Agreement is dependent are withdrawn or redirected, the Commission may terminate this Agreement upon no less than twenty-four (24) hours' notice in writing to the Grantee. Said notice shall be delivered by certified mail, return receipt requested or in person with proof of delivery. The Commission shall be the final authority as to the availability of funds and will not reallocate funds appropriated for this Agreement to another program thus causing "lack of funds." In the event of termination of this Agreement under this provision, the Grantee will be compensated for any work satisfactorily completed and any non-cancellable obligations properly incurred prior to notification of termination.
- E. **Grantee Discontinuation of Activities upon Termination Notice.** Upon receipt of notice of termination, the Grantee shall, unless the notice directs otherwise, immediately discontinue all activities authorized hereunder. Upon termination of this Agreement, the Grantee shall promptly render to the Commission all property belonging to the Commission. For the purposes of this section, property belonging to the Commission shall include, but shall not be limited to, all books and records kept on behalf of the Commission.

9. REMEDIES.

- A. **Financial Consequences.** In accordance with Sections 215.971(1)(a)&(b), F.S., Attachment A, Scope of Work, contains clearly established tasks in quantifiable units of deliverables that must be received and accepted in writing by the agency before payment. Each deliverable specifies the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If the Grantee fails to produce each deliverable within the time

frame specified by the Scope of Work, the budget amount allocated for that deliverable will be deducted from the Grantee's payment. In addition, pursuant to Section 215.971(1)(c), the Commission shall apply any additional financial consequences, identified in the Scope of Work.

- B. Cumulative Remedies.** The rights and remedies of the Commission in this paragraph are in addition to any other rights and remedies provided by law or under the Agreement.

10. NOTICES AND CORRESPONDENCE.

Any and all notices shall be delivered to the individuals identified below. In the event that either Party designates a different Grant Manager after the execution of this Agreement, the Party will provide written notice of the name, address, zip code, telephone and fax numbers, and email address of the newest Grant Manager, or an individual authorized to receive notice on behalf of that Party, to all other Parties as soon as possible, but not later than five (5) business days after the new Grant Manager has been named. - iii. **Commission Intellectual Property Rights.** Where activities supported by this Agreement produce original writing, sound recordings, pictorial reproductions, drawings or other graphic representations and works of any similar nature, the Commission and the State of Florida have the unlimited, royalty-free, nonexclusive, irrevocable right to use, duplicate and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others acting on behalf of the Commission to do so. If this Agreement is supported by federal funds, the federal awarding agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes, and to authorize others to do so.

B. Purchase or Improvement of Real Property

This agreement is not for the purchase or improvement of real property, therefore, the following terms and conditions do not apply.

- i. **Federal Funds.** Any Federal funds provided for the purchase of or improvements to real property are subject to the Property Standards of Sections 200.310 - 200.316, and 200.329, OMB Uniform Guidance (2 CFR 200), as amended.
- ii. **Title.** If this agreement is supported by state funds, the Grantee shall comply with Section 287.05805, F.S. This section requires the Grantee to grant a security interest in the property to the State of Florida, the type and details of which are provided for in Attachment A, Scope of Work. Title to state-owned real property remains vested in the state. Title to federally-owned real property remains vested in the Federal government in accordance with the provisions of Section 200.312, OMB Uniform Guidance (2 CFR 200), as amended.

Each Party hereto covenants that there is no conflict of interest or any other prohibited relationship between the Grantee and the Commission.
- B. **Grantee Training and Qualifications.** Grantee agrees that all Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification.
- C. **Commission Security.** All employees, subcontractors, or agents performing work under the Agreement must comply with all security and administrative requirements of the Commission. The Commission may conduct, and the Grantee shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Grantee. The Commission may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with the Commission's other requirements. Such refusal shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Commission, in coordination with the Grantee, may reject and bar from any facility for cause any of Grantee's employees, subcontractors, or agents.
- D. **Commission Rights to Assign or Transfer.** The Grantee agrees that the State of Florida shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Agreement to

another governmental agency in the State of Florida, upon giving prior written notice to the Grantee.

The Grantee shall ensure, and provide assurances to the Commission upon request, that any subcontractor selected for work under this Agreement has the necessary qualifications and abilities to perform in accordance with the terms and conditions of this Agreement. The Grantee must provide the Commission with the names of any subcontractor considered for work under this Agreement; the Commission in coordination with the Grantee reserves the right to reject any subcontractor. The Grantee agrees to be responsible for all work performed and all expenses incurred with the project. Any subcontract arrangements must be evidenced by a written document available to the Commission upon request. The Grantee further agrees that the Commission shall not be liable to the extent allowed by law, to any subcontractor for any expenses or liabilities incurred under the subcontract and the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- B. Grantee Payments to Subcontractor.** If subcontracting is permitted pursuant to Paragraph A, above, Grantee agrees to make payments to the subcontractor upon completion of work and submitted invoice in accordance with the contract between the Grantee and subcontractor. Failure to make payment pursuant to any subcontract will result in a penalty charged against Grantee and paid to the subcontractor in the amount of one-half of one percent (0.50%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.”
- C. Commission Right to Reject Subcontractor Employees.** The Commission in coordination with Grantee shall retain the right to reject any of the Grantee’s or subcontractor’s employees whose qualifications or performance, in the Commission’s judgment, are insufficient.
- D. Subcontractor as Independent Contractor.** If subcontracting is permitted pursuant to Paragraph A above, the Grantee agrees to take such actions as may be necessary to ensure that each subcontractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.

15. MANDATORY DISCLOSURE.

These disclosures are required by State law, as indicated, and apply when this Agreement includes State funding; and by Federal law, as indicated, and apply when the Agreement includes a Federal award.

Grantee must disclose, in writing, any potential conflict of interest to the Commission in accordance with applicable Federal awarding agency policy.

B. Convicted Vendors. Grantee hereby certifies that neither it, nor any person or affiliate of Grantee, has been convicted of a Public Entity Crime as defined in section 287.133, F.S., nor placed on the convicted vendor list. Grantee shall have a continuing obligation to disclose, to the Commission, in writing, if it, its principals, recipient, subrecipient, contractor, or subcontractor, are on the convicted vendors list maintained by the Florida Department of Management Services pursuant to Section 287.133(3)(d), F.S.

- i. **Scrutinized Companies.** Grantee certifies that it and any of its affiliates are not scrutinized companies as identified in Section 287.135, F.S. In addition, Grantee agrees to observe the requirements of Section 287.135, F.S., for applicable sub-agreements entered into for the performance of work under this Agreement. Pursuant to Section 287.135, F.S., the Commission may immediately terminate this Agreement for cause if the Grantee, its affiliates, or its subcontractors are found to have submitted a false certification; or if the Grantee, its affiliates, or its subcontractors are placed on any applicable scrutinized companies list or engaged in prohibited contracting activity during the term of the Agreement. As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

D. Discriminatory Vendors. Grantee shall disclose to the Commission, in writing, if they, their subrecipient, contractor, or subcontractor, are on the Discriminatory Vendor List maintained by the Florida Department of Management Services pursuant to Section 287.134(3)(d), F.S. “An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.” Section 287.134(2)(a), F.S.. E. Prompt Disclosure of Litigation, Investigations, Arbitration, or Administrative Proceedings. Throughout the term of the Agreement, the Grantee has a continuing duty to promptly disclose to

the Commission's Grant Manager, in writing, upon occurrence, all civil or criminal litigation, investigations, arbitration, or administrative proceedings (Proceedings) relating to or affecting the Grantee's ability to perform under this agreement. If the existence of such Proceeding causes the Commission concern that the Grantee's ability or willingness to perform the Agreement is jeopardized, the Grantee may be required to provide the Commission with reasonable assurances to demonstrate that: a.) the Grantee will be able to perform the Agreement in accordance with its terms and conditions; and, b.) Grantee and/or its employees or agents have not and will not engage in conduct in performing services for the Commission which is similar in nature to the conduct alleged in such Proceeding.

- F. Certain Violations of Federal Criminal Law.** If this agreement includes a Federal award, then in accordance with Section 200.113, OMB Uniform Guidance (2 CFR 200), Grantee must disclose, in a timely manner, in writing to the Commission all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.

16. INSURANCE.

The Grantee warrants and represents that it is insured, or self-insured for liability insurance, in accordance with applicable state law and that such insurance or self-insurance offers protection applicable to the Grantee's officers, employees, servants and agents while acting within the scope of their employment with the Grantee.

Additional sponsorship requirements may be specified in Attachment A, Scope of Work.

18. PUBLIC RECORDS.

A. This Agreement may be unilaterally canceled by the Commission for refusal by the Grantee to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, F.S., and made or received by the Grantee in conjunction with this Agreement, unless exemption for such records is allowable under Florida law.

B. If the Grantee meets the definition of "Contractor" in Section 119.0701(1)(a) F.S., the Grantee shall comply with the following:

Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

20. SECURITY AND CONFIDENTIALITY.

The Grantee shall not divulge to third parties any clearly marked confidential information obtained by the Grantee or its agents, distributors, resellers, subcontractors, officers or employees in the course of performing Grant work. The Grantee agrees to provide the information necessary, over the life of this Agreement, for the Commission to comply with this requirement.

During the term of this Contract, and at the end of each Calendar quarter in which any event occurs that materially affects the accuracy of this certification or declaration, the Grantee shall file an updated declaration with the Commission’s Contract Manager. If any non-federal funds are used for lobbying activities as described above in connection with this Contract, the Grantee shall submit Standard Form-LLL, “Disclosure Form to Report Lobbying”, and shall file quarterly updates of any material changes. - B. Termination for Breach.** For the breach or violation of this provision, the Commission shall have the right to terminate the Agreement without liability and, at its discretion, to deduct from the Agreement price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

27. INDEMNIFICATION.

If Grantee is a state agency or subdivision, as defined in Subsection 768.28(2), F.S., pursuant to Subsection 768.28(19), F.S., neither Party indemnifies nor insures the other Party for the other Party's negligence. If Grantee is not a state agency or subdivision as defined above, Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State and the Commission, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors, provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State or the Commission. If this is a Professional Services Agreement as defined in Subsection 725.08 F.S., then notwithstanding the provisions of Subsection 725.06 F.S., the design professional shall only be liable for, and fully indemnify, defend, and hold harmless the State, the Commission, and their officers, agents, and employees, for actions caused in whole or in part, by the negligence, recklessness, or intentionally wrongful conduct of the design professional and other persons employed or utilized by the design professional in the performance of the Agreement.

28. NON-DISCRIMINATION.

No person, on the grounds of race, creed, color, national origin, age, sex, or disability, shall be excluded from participation in, be denied the proceeds or benefits of, or be otherwise subjected to discrimination in performance of this Agreement.

29. SEVERABILITY, CHOICE OF LAW, AND CHOICE OF VENUE.

This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida, to the exclusion of all other lawful venues.

30. NO THIRD PARTY RIGHTS.

The Parties hereto do not intend nor shall this Agreement be construed to grant any rights, privileges or interest to any person not a party to this Agreement.

31. JURY TRIAL WAIVER.

As part of the consideration for this Agreement, the Parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Agreement, or with the products or services provided under this Agreement, including but not limited to any claim by the Grantee of *quantum meruit*.

32. PROHIBITION OF UNAUTHORIZED ALIENS.

In accordance with Federal Executive Order 96-236, the Commission shall consider the employment by the Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationalization Act. Such violation shall be cause for unilateral cancellation of this Agreement if the Grantee knowingly employs unauthorized aliens.

33. EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY).

- A. Requirement to Use E-Verify.** Executive Order 11-116, signed May 27, 2011, by the Governor of Florida, requires Commission contracts in excess of nominal value to expressly require the Grantee to: 1.) utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by Grantee during the Agreement term; and, 2.) include in all subcontracts under this Agreement, the requirement that subcontractors performing work or providing services pursuant to this Agreement utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the subcontract.
- B. E-Verify Online.** E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States after the effective date of the required Memorandum of Understanding (MOU); the responsibilities and elections of federal contractors, however, may vary, as stated in Article II.D.1.c. of the MOU. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found online at http://www.dhs.gov/files/programs/gc_1185221678150.shtm
- C. Enrollment in E-Verify.** If Grantee does not have an E-Verify MOU in effect, the Grantee must enroll in the E-Verify system prior to hiring any new employee after the effective date of this Agreement.
- D. E-Verify Recordkeeping.** The Grantee further agrees to maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the Commission or other authorized state entity consistent with the terms of the Grantee's enrollment in the program. This includes maintaining a copy of proof of the Grantee's and subcontractors' enrollment in the E-Verify Program (which can be accessed from the "Edit Company Profile" link on the left navigation menu of the E-Verify employer's homepage).

- E. Employment Eligibility Verification.** Compliance with the terms of the Employment Eligibility Verification provision is made an express condition of this Agreement and the Commission may treat a failure to comply as a material breach of the Agreement.

34. FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.

Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay Agreement believes is excusable under this paragraph, Grantee shall notify the Commission's Grant Manager in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) within five (5) calendar days after the date Grantee first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. The Commission, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify Grantee of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against the Commission. Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from the Commission for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Grantee shall perform at no increased cost, unless the Commission determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to the Commission or the State, in which case, the Commission may do any or all of the following: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to the Commission with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate the Agreement in whole or in part.

35. TIME IS OF THE ESSENCE.

Time is of the essence regarding the performance obligations set forth in this Agreement. Any additional deadlines for performance for Grantee's obligation to timely provide deliverables under this Agreement including but not limited to timely submittal of reports, are contained in the Scope of Work, Attachment A.

36. ENTIRE AGREEMENT.

This Agreement with all incorporated attachments and exhibits represents the entire Agreement of the Parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, and duly signed by each of the Parties hereto, unless otherwise provided herein. In the event of conflict, the following order of precedence shall prevail;

this Agreement and its attachments, the terms of the solicitation and the Grantee’s response to the solicitation.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed through their duly authorized signatories on the day and year last written below.

In some cases, the Commission will allow a modified return time with prior notice and approval from the Commission's Contract Manager.
- B. Commencement of Work:** The Grantee shall commence work on the overall project as soon as notified by the Commission of the agreement execution. Failure by the Grantee to execute the work within 60 days of agreement execution shall result in the agreement being null and void, unless prior approval for a delay is granted by the Commission's Contract Manager.
- C. Procurement:** The Grantee shall procure goods and services through a competitive solicitation process in accordance with Chapter 287, Florida Statutes. The Grantee has already included in the application the quote provided by the contractor chosen for the task and the Commission will pay to the Grantee 100 percent of the quoted price for each task or 100 percent of the actual cost if less than the quoted price. The Grantee will ensure that the selected contractor has adequate insurance and is qualified to do the work. A copy of the state's Derelict Vessel Removal Best Management Practices, attached as Attachment D, will provide guidance as to whether or not the selected contractor is qualified to do the work.
- D. Closeout:** Final receipts with required evidence of completion will be received by the Commission's Contract Manager no later than September 30, 2020.

5. COMPENSATION AND PAYMENT

- A. Compensation:** For satisfactory completion of the tasks described in this Scope of Work, by the Grantee under the terms of this Agreement, the Commission shall pay the Grantee on a cost reimbursement basis in an amount not to exceed \$22,100.00. The Grantee shall be

reimbursed only for budgeted expenses that are directly related to the removal and disposal of vessels within the project.

- B. Cost Share:** The Grantee is not required to provide any cost share of the total cost of the project as indicated in the FWC Derelict Vessel Removal Grant Guidelines. The total compensation by the Commission shall be \$22,100.00 or 100% of the total cost for the project, whichever is less.

- C. Salvage Value:** The Grantee shall be entitled to the salvage value of any grant-designated derelict vessel or any part(s) or accessories thereof, not used in the construction of a permitted artificial reef site, excluding the hull. All such salvage activities not essential to the physical removal of a derelict vessel shall be accomplished after the vessel has been removed from public waters. The salvage value of each vessel shall be deducted by the Grantee when determining the reimbursement request for the removal and disposal costs for each derelict vessel. Vessel hulls must be destroyed and not salvaged in whole. All salvaged materials from such vessels must be removed from the vessels before being sold for salvage. By law, such salvage values must offset the cost of removal to be allowed.

- D. Forms and Documentation:** The Grantee shall be reimbursed on a cost reimbursement basis in accordance with 2011 Reference Guide for State Expenditures attached hereto and made a part hereof as Attachment C.

The request for reimbursement shall include an invoice in a format similar to Attachment F, Sample Invoice Form, which shall include the FWC Agreement Number, the Grantee's Federal Employer Identification (FEID) Number, and the dates of service. The invoice shall be accompanied by Attachment H: Certificate of Completion, photographs to document project **removal and destruction** completion, an itemized list of all project expenditures, and copies of invoices and cancelled checks or check numbers to document payment for all project expenditures.

6. MONITORING

- A. Compliance Monitoring and Corrective Actions:** The Commission will monitor the Grantee's service delivery to determine if the Grantee has achieved the required level of performance. If the Commission in its sole discretion determines that the Grantee failed to meet any of the terms or conditions of this Agreement, the Grantee will be sent a formal written notice. The Grantee shall correct all identified deficiencies within forty-five (45) days of notice. Failure to achieve 100% compliance with all of the terms and conditions of this Agreement or failure to correct the deficiencies identified in a notice identifying deficiencies within the time frame specified may result in delays in payment or termination of this Agreement in accordance with the terms of the Agreement.

- B. Site Inspections:** The Commission may inspect the Project site prior to and, if applicable, during the removal of project vessels. The Grantee shall notify the Commission's Contract Manager when the Project has reached substantial completion so that inspection may occur in a timeframe allowing for the timely submission and processing of the final invoice. The

All derelict vessel removal sites will be inspected by a Commission officer to verify the complete removal of the vessel as described in the Agreement.

- C. Project Progress Reports:** The Grantee shall submit to the Commission, on a monthly basis, project progress reports outlining the progress of the project, and identifying any problems that may have arisen and actions taken to correct such problems. Such reports shall be submitted on the Project Monthly Progress Report Form attached hereto and made a part hereof as Attachment G. Reports are due to the Commission’s Contract Manager by the 15th of the month immediately following the reporting period until the Certificate of Completion is submitted.

If this Agreement includes a Federal award, then Grantee will also be subject to the Federal provisions cited in Part I. If this Agreement includes both State and Federal funds, then all provisions apply.

MONITORING

In addition to reviews of audits conducted in accordance with Sections 200.500-200.521, Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (2 CFR 200), as revised, hereinafter “OMB Uniform Guidance” and Section 215.97, F.S., as revised (see “AUDITS” below), the Commission may conduct or arrange for monitoring of activities of the Contractor. Such monitoring procedures may include, but not be limited to, on-site visits by the Commission staff or contracted consultants, limited scope audits as defined by Section 200.331, OMB Uniform Guidance and/or other procedures. By entering into this Contract, the Grantee agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Commission. The Grantee further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Florida Department of Financial Services or the Florida Auditor General.

AUDITS

PART I: FEDERALLY FUNDED. If this Agreement includes a Federal award, then the following provisions apply:

December 26, 2014) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from Grantee resources obtained from other than Federal entities).

- E.** Such audits shall cover the entire Grantee's organization for the organization's fiscal year. Compliance findings related to contracts with the Commission shall be based on the contract requirements, including any rules, regulations, or statutes referenced in the Contract. The financial statements shall disclose whether or not the matching requirement was met for each applicable contract. All questioned costs and liabilities due to the Commission shall be fully disclosed in the audit report with reference to the Commission contract involved. Additionally, the results from the Commission's annual financial monitoring reports must be included in the audit procedures and the Sections 200.500-200.521, OMB Uniform Guidance audit reports.
- F.** If not otherwise disclosed as required by Section 200.510, OMB Uniform Guidance, the schedule of expenditures of Federal awards shall identify expenditures by contract number for each contract with the Commission in effect during the audit period.
- G.** If the Grantee expends less than **\$500,000.00** in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, is not required. In the event that the Grantee expends less than **\$500,000.00** in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from the Grantee's resources obtained from other-than Federal entities).

COST REIMBURSEMENT CONTRACT PAYMENT REQUIREMENTS

Pursuant to the February, 2011 *Reference Guide for State Expenditures* published by the Department of Financial Services, invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). In addition, supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of types of supporting documentation:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.
- (5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.
- (6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports. Additionally, the invoice or submitted documentation must evidence the completion of all tasks required to be performed for the deliverable and must show that the provider met the minimum performance standards established in the agreement.

Best Management Practices for DV removal

Derelict Vessel Removal Process

Derelict vessels are existing impacts to the environment as well as boating safety hazards, impediments to navigation, and esthetic nuisances. Typically these vessels are found grounded on the edges of active waterways where they may have physical impacts on benthic and shoreline communities. However, the impact of these vessels is not limited to their immediate location. If left unattended, the influences of winds and tides continue to push the boats causing greater impact as they become more deeply mired into the environment. Early extraction of these vessels will avoid and minimize the environmental impacts. In addition to these physical impacts resulting from the movement of these vessel through the environment; there is the long term effect caused by their continued degradation and decay in the marine environment. These vessels may be constructed of various materials, such as wood, steel, aluminum, or fiberglass; each having varying degrees of resilience and can remain in the marine environment for extended periods of time. With the progression of time; the environmental impacts increase with the shading from the hull and displacement of live bottom and emergent vegetative communities resulting from the expansion of the debris field as the vessels disintegrates. The impacts resulting from the removal of these vessels during any stage is less than the impacts caused by the long-term presence of the vessel in the marine environment. Therefore the early detection and removal of these abandoned and derelict vessels is the best means of minimizing the individual or cumulative impacts to the environment.

Derelict Vessel Removal (FDEP) Permit Exemption

An Exemption under Florida Administrative Code Chapter 62-330-051(5)(g) by Florida Department of Environmental Protection, has been established for the removal of derelict vessels. Based on the presumption that the extraction of these vessels from the marine environment will cause only minimal environmental impacts and in turn avoid the long-term impacts resulting from the degradation of the vessel at it current location. The environmental impacts are ameliorated by the application of the best management practices referenced below.

Florida Administrative Code Chapter 62-330-051(5)(g)

(g) The removal of derelict vessels, as defined in Section 823.11(1), F.S., by federal, state, and local agencies, provided:

1. The derelict vessel case has been completed as specified in Section 705.103, F.S., and has been entered into the Statewide Derelict Vessel Database maintained by the Florida Fish and Wildlife Conservation Commission;

2. All work is done in a manner that, to the greatest practicable extent, avoids additional dredging or filling, grounding or dragging of vessels, and damage to submerged resources such as seagrass beds, oyster beds, coral communities, mangroves, other wetlands, and live bottom; and
3. An absorbent blanket or boom shall be immediately deployed on the surface of the water around the derelict vessel if fuel, oil, or other free-floating pollutants are observed during the work.

General Derelict Vessel Removal and Environmental Protection Best Management Practices

The following best management practices (BMP's) will be employed by the marine contractor during the removal of derelict vessels. These BMP's will be incorporated into the contract for each vessel removal project. The marine contractor selected for the project will be required to show proof of their ability to meeting the BMP requirements with their contingency of equipment, staff and expertise in the removal of derelict vessels.

Compliance with these BMP's will be monitored by the County and by local Florida Fish and Wildlife Conservation Commission law enforcement officers. These BMP's are as follows:

- a. All Work Is To Meet The Following Requirements:
 1. Operations are to be limited to daylight hours.
 2. Operations are to be staged from an upland area.
 3. All work is to be performed in a manner that avoids and/or minimizes impacts to live bottom and other resource areas (e.g., seagrass beds, oyster beds, wetlands, mangroves, and other sensitive habitats) while approaching, working in, and leaving the derelict vessel site.
 4. All work shall avoid impacts to manatees, sea turtles, and other species listed by the state and federal government as threatened or protected.
 5. The Contractor will remove all contaminants and pollutants including fuels, batteries, paints, solvents, and engine from the derelict vessel prior to, or immediately after extraction, whichever option is best to prevent environmental impacts. Any contaminant or pollutant found to be contained within a derelict vessel shall be removed by the Contractor, placed in an approved container, and disposed of properly. The placement of an absorbent blanket on the surface of the water around the derelict vessel within the turbidity barrier is required where free floating product (gas/oil) is observed.
 6. The Contractor is to provide appropriate best management practices (BMPs) approved by the Florida Department of Environmental Protection for erosion control and turbidity

protection while each derelict vessel is being removed. In areas of low to moderate currents, a Type II floating turbidity barrier will be installed within a ten (10) foot radius of the vessel being removed prior to starting any removal activities. The turbidity barrier shall be anchored to the bottom of the waterway.

7. The Contractor is to provide appropriate BMPs for erosion control and turbidity prevention around the vessels/barges being used to remove the derelict vessel and around the perimeter of any upland staging site (where necessary).
8. The Contractor is to monitor turbidity levels throughout removal work.
9. In an effort to reduce turbidity, a crane, winch and/or approved alternate method is to be used to raise the derelict vessel from the water.
10. The Contractor will assess turbidity levels and allow them to return to an acceptable level similar to pre-project condition prior to removal of turbidity measures.
11. The dragging of vessels is to be avoided both on and off-shore. All vessels/barges used in vessel removal shall continually monitor water depths to avoid running aground.
12. The Contractor will load derelict vessels onto a barge and/or flat bed truck (or similar) for proper disposal.
13. The Contractor is to photo-document all removals as described in Item 6 below with pictures taken before, during and after removal. The Contractor will provide a daily written report of all removal activities.

b. For Derelict Vessels That Are Floating or Lightly Aground:

1. The vessel is to be pumped out as needed and extracted (floated out) during high water.
2. Following extraction, the vessel is to be towed from the grounded location to a boat ramp or other removal point while avoiding and/or minimizing impacts to live bottom areas.

c. For Derelict Vessels That Are Hard Aground:

1. The vessel is to be approached using shallow draft vessels.
2. The vessel is to be extracted using a crane from a shallow draft deck barge, by hand using the best available tools, or similar approach to minimize impacts to the site and surrounding areas.

d. For Derelict Vessels Sunken in Shallow Water:

1. Install and inflate flotation bags as needed.
2. Lift the vessel with barge mounted crane or similar equipment.

To: FWC Contract 19240, Indian River County
From: Phil Horning, Contract Manager
RE: Return on Investment Reporting

This Memorandum is to document the Return of Investment reporting language as mandated and approved by Florida's Executive Office of the Governor, Office of Policy and Budget, in to FWC Contract 19240.

Return of Investment reporting:

The ultimate objective is for the vessel(s) to be removed from the water at the earliest possible time to prevent additional removal costs and potential damage by interfering with navigation or the environment. Removing vessels at the earliest possible time reduces the cost of removing vessels at a later time when they frequently sink or break apart thereby increasing removal costs. By eliminating these hazards from navigation, there is a reduced chance of injury or death associated with a collision between a boater and a derelict vessel thereby reducing risk to the boater, county and state.

Removing a greater number of derelict vessels reduces the number of environmental incidents of pollution caused by spilled fuels and oils and the leaching of caustic chemicals into the waters of the state. A reduction of derelict vessel damage to sea grasses, corals, and other benthic resources also increases value to our states natural resources and reduces restoration costs. Derelict vessels can also be a blight on working waterfronts, resort and residential areas. This blight can negatively affect the economy of these areas including use, sales and tourism.

Analysis at the program's conclusion will list the number of derelict vessels and/or total linear feet removed for both individual counties and the statewide total. The average cost for vessels removed and the average cost per linear foot will also be included. The report will measure the percentage of derelict vessels removed for both counties and the entire state based on the pre-program totals as listed in the Statewide Derelict Vessel Database.
