August 1, 2018

Mr. Peter D. O'Bryan  
Chairman, County Commission  
Indian River County Administration Office  
1801 27th Street  
Vero Beach, Florida 32960

Dear Mr. O'Bryan:

I am writing to let you know the John's Island Club is not able to host the "Public Safety Day" golf outing this year. Among other things, there are numerous clubhouse and golf course construction projects in process, including renovation of our South Course.

The Club recognizes and greatly appreciates all the hard work of public safety staff in Vero Beach, Sebastian, Fellsmere, Indian River Shores, Indian River County and John's Island Security. We look forward to hosting the event in 2019.

Sincerely,

Brian R. Kroh  
General Manager
