

**INDIAN RIVER COUNTY, FLORIDA
MEMORANDUM**

TO: Jason E. Brown, County Administrator
FROM: Richard B. Szyrka, P.E., Public Works Director
SUBJECT: Architectural Services with Edlund, Dritenbas, Binkley Architects and Associates, P.A. for Fire Station #7, IRC Project No. 1911
DATE: December 27, 2021

DESCRIPTION AND CONDITIONS

Fire Station #7 is currently located in a temporary structure pending the construction of a new Fire Station in a permanent location for the staff of Fire Station #7. On behalf of Department of Emergency Services, Public Works is requesting Board of County Commissioners approve attached Work Order No, 5 with the Architectural firm of Edlund, Dritenbas, Binkley Architects and Associates, P.A. to provide the necessary design, construction documents, permitting, and construction administration, to include, site plan civil engineering, and surveying services necessary for Fire Station #7. This will allow the County to have a complete set of documents to solicit bids for the construction of Fire Station #7. Public Works will oversee the design, permitting, and construction process for Emergency Management Services as directed by the Board several years ago.

The estimated cost for the services with Edlund, Dritenbas, Binkley Architects and Associates, P.A., including civil engineering and survey, for the services identified in Work Order No. 5 is \$250,440.00.

FUNDING

Funding in the amount of \$250,440.00 for Fire Station #7 Architectural and Engineering is available in Optional Sales Tax/Fire Rescue/Fire Station #7 Construction, Account No. 31512022-066510-19020
