

**SECOND AMENDMENT TO SOLID WASTE AND RECYCLABLES
COLLECTION FRANCHISE AGREEMENT BETWEEN INDIAN RIVER
COUNTY SOLID WASTE DISPOSAL DISTRICT ("SWDD") AND WASTE
MANAGEMENT INC. OF FLORIDA ("FRANCHISEE")**

**THIS SECOND AMENDMENT TO SOLID WASTE AND RECYCLABLES
COLLECTION FRANCHISE AGREEMENT BETWEEN INDIAN RIVER COUNTY
SOLID WASTE DISPOSAL DISTRICT ("SWDD") AND WASTE MANAGEMENT
INC. OF FLORIDA ("FRANCHISEE") ("Second Amendment")** is entered into as of the
___ day of December 2025 by and between the Indian River County Solid Waste Disposal
District, a dependent special district of INDIAN RIVER COUNTY (hereinafter, "SWDD")
and Waste Management Inc. of Florida, a Florida corporation (hereinafter "Franchisee").

RECITALS

WHEREAS, on July 2, 2024, SWDD and Franchisee entered into the Solid Waste and
Recyclables Collection Franchise Agreement Between Indian River County Solid Waste
Disposal District ("SWDD") and Waste Management Inc. of Florida ("Franchisee")
(collectively referred to as the "Agreement"); and

WHEREAS, on December 17, 2024, SWDD and Franchisee entered into the First
Amendment to Franchise Agreement providing clarifications and reduction in certain fees to
residential, multi-family and commercial customers; and

WHEREAS, on June 17, 2025, the SWDD Board approved staff recommendation to
approve the implementation of an earlier cart swap program and to allow the Contract Manager
to grant yard waste cart delivery and service exemption to Homeowner's Association (and
Condominium Owners Associations), within Unincorporated IRC with direction to staff and
the County Attorney's office to return to ratify an amended Agreement for these approved
changes; and

WHEREAS, SWDD and Franchisee desire to amend the Agreement to provide further
clarifications and to accept certain negotiations that enhance the Agreement and provide an additional
reduction in certain fees to our residential, multi-family and commercial customers,

NOW THEREFORE, in consideration of the mutual undertaking herein and other good
and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the
parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.

2. Article 12.1.9 d Amended. The following sentence replace 12.1.9 d in its entirety:

- d. The CLEAN program shall commence at the start of the franchise
agreement, October 1, 2025, for all Commercial Customers as a 12-month

pilot based on the new reduced Commercial Supplemental Fees in Exhibit 1. The Contract Manager shall notify Franchisee 30 days prior to the conclusion of the pilot that the CLEAN program shall continue or be terminated. If the CLEAN program is terminated, then the original Commercial Supplemental Fees as revised in Item 5 below of this Second Amendment shall apply.

3. **Article 12.2.1. Amended.** The following sentence is added as Section c. and Section d. to Article 12.2.1 to provide additional exceptions as further detailed below:

12.2.1.

- c. The Contract Manager is authorized to provide an exemption for the delivery and weekly service of Yard Waste Roll Carts for specific designated Homeowner's Associations (HOA's), Property Owner's Associations (POA's) and Condominium Owner's Associations (COA's) communities within the Unincorporated IRC that do not allow curbside yard waste collection who agree and meet the following provisions.
 1. The exemption will apply to the entire HOA / POA / COA and must represent all members; individual homes cannot be exempted separately. In addition, individual homeowners cannot opt in. However, Contract Manager and the Franchisee shall provide a case by case considerations for a partial exemption for communities that have both single family homes and multi-family homes.
 2. This exemption will apply through the initial five (5) year term of the Agreement as well as any future extensions of the Agreement.
 3. Residents who reside in an exempt HOA / POA / COA will not be allowed to transfer the exemption credit toward additional trash cart(s).
 4. The HOA / POA / COA must notify the SWDD contract manager no later than July 15, 2025, of the total number and specific addresses of homes that are to be officially exempted in order not to receive the delivery of the yard waste carts. Exemptions received after this date are still eligible for the exemption; however, yard waste carts may get delivered in August 2025 and then retrieved at a future date.
 5. There is no opportunity to opt back into the Agreement. Future owners and Board members of properties within exempt communities will also be ineligible to opt into the franchise agreement.
 6. The exemption does not eliminate the cost for the carted yard waste collection services.
 7. An authorized representative of the HOA / POA / COA must sign and

date the Yard Waste Carts and Curbside Service Exemption Form and testify that all residents of the community were duly notified of these provisions and that the HOA / POA / COA voted to make a representative decision in favor of requesting an exemption to carted yard waste services.

d. The Contract Manager shall provide the specific signed exemption form and a list of addresses to the Franchisee and in return both parties agree to the following:

1. The Franchisee shall continue to receive the full compensation for the monthly services to these communities.
2. The Franchisee shall waive the one-time \$100 fee per cart and distribution for an equal number of additional yard waste carts (not to exceed the maximum combined total of 4 carts for trash or yard waste) for any curbside resident within Unincorporated IRC that requests an additional yard waste cart upon the participating customer agreeing to pay the Franchisee the applicable \$120 per year (\$10 per month) per cart collection fee prior to the delivery of the additional yard waste cart. WM agrees to offer this additional cart option for a one-year period until the total numbers of exempt homes are reached or by September 30, 2026, whichever comes first. This option is only available for yard waste carts and not transferable to trash carts.

4. **Article 12.2.4. Amended.** The following sentence replaces Article 12.2.4 in its entirety:

12.2.4. ~~Following the first ninety (90) Days of service~~ Starting October 1, 2025, upon request, Franchisee shall exchange a residential customer's Roll Cart with an alternatively sized Roll Cart. Franchisee shall provide one (1) Roll Cart exchange for Solid Waste, ~~Yard Waste~~ and Recyclables per customer at no charge to the customer or the SWDD. No alternative cart sizes are available for the Yard Waste Roll Cart; however, the Franchisee shall provide one (1) Roll Cart pick-up per customer at no charge to the customer. The Roll Cart exchange for Solid Waste or Recycling and pick-up for Yard Waste is limited to one exchange or pick-up for the contract term, unless there is a legal change in ownership of the residential property resulting in a new residential customer. Should a residential customer request additional exchanges, the Franchisee may charge the residential customer at rate defined per Roll Cart that is exchanged. Franchisee shall track and report exchanges as specified in ARTICLE 18. In return for the earlier cart swaps, the Franchisee shall receive a dollar-for-dollar credit for cart swap expenses against Administrative Charges beginning October 1, 2025, until the full value of the cart swap costs has been credited.

5. **Exhibit 1 – Collection Service Rates. Amended.** Upon approval of this

Amendment, Exhibit 1 will be updated to reflect the following changes and will be replaced in its entirety with the attached Exhibit 1 - Collection Service Rates:
