Re: Requesting BOCC to hold and attend a series of workshops

Dear Commissioner Moss:

Indian River Soil and Water Conservation District (IRSWCD) Board of Supervisors is requesting the Indian River County Board of County Commissioner to please hold and attend a series of workshops:

- A.) U.S. Geological Survey and Hydrological Study - Explaining what it is and what are the benefits.
B.) "Future Water of Indian River County", draw down, water supply, ground water, water farming, a study of westward movement.

Attendees to be invited: all users of Indian River County water, interested Public, District, Cities, County, other Agencies, Cities, Boards, and other Water Management Districts that want to work together to research and educate the public with the 2030 IRC Comprehensive Plan and assuring a sustainable water supply for Indian River County.

Your assistance and cooperation with the above matter is greatly appreciated.

Sincerely,
