**BACKGROUND:**

The Federal Department of Housing and Urban Development (HUD) offers permanent, supportive housing to persons experiencing homelessness as well as services including health care and mental health counseling. On behalf of Indian River County, grant applications are submitted by Treasure Coast Homeless Services Council, Inc. (TCHSC) for funding of these services. Once awarded, TCHSC administers the grant funds for Continuum of Care (CoC) programs in cooperation with the Human Services Department of Indian River County and the State Health Department.

Below is a list of nine grants awarded to Indian River County which will renew in 2020. However, due to a variance in performance periods of the awarded projects, only six Continuum of Care Program Grant Agreements have been received as of this date. The remaining three agreements, indicated below with an asterisk (\*), will be presented to the Chairman for signature upon receipt and review by County Attorney as to form and legal and sufficiency.
