DATE: October 9, 2018

SUBJECT: Presentation on Commercial Property Assessed Clean Energy (PACE)
Programs

FROM: Peter O'Bryan 
Commissioner, District 4

I have heard from members of the community that there is some interest in exploring a PACE program for commercial properties. With the assistance of Frank Bernardino and Edgar Fernandez of Anfield Consulting, multiple PACE providers will be present to answer questions the Board may have regarding their individual plans. The presentation will be given by Natalie Schneider, Florida Regional Director Government Affairs, Renew Financial.
