Re: Children's Services Advisory Committee

Dear Commissioner Adams,

I am sending this to you as you are the commissioners representative on CSAC.

After many years of service to the citizens of Indian River County, I have decided that it is time for me to step aside as a member of the CSAC board and as a member and chair of the Grant Subcommittee for CSAC.

Please accept this as my letter of resignation from CSAC in its entirety.

Thank you for your continued service on behalf of the children of IRC.

Sincerely,

Robert W. Schlitt Jr.
