RELEASE, AND INDEMNIFICATION AGREEMENT**

The undersigned parties to that certain Purchase and Sale Contract dated _____, 2017, for the purchase of the Property and the improvements commonly known as See Exhibit A (the "Property") between Indian River County ("Buyer") and TD Bank, N.A. ("Seller"), acknowledge, stipulate, covenant and agree as follows:

Seller hereby advises Buyer that the Property (including, but not limited to, the basement, the surrounding land, any structures thereon, and non-structural elements or items thereon or therein, and any subsurface or subterranean conditions) is or may be affected by water or moisture damage, toxic mold, and/or other environmental hazards or conditions. Seller further advises Buyer that as a consequence of possible water damage and/or excessive moisture, the Property may be or has been irrevocably contaminated with mildew, mold, and/or other microscopic organisms. Buyer is being advised that exposure to certain species of mold may pose serious health risks, and those individuals with immune system deficiencies, infants, children, the elderly, individuals with allergies or respiratory problems, and pets are particularly susceptible to experiencing adverse health effects from mold exposure.

Buyer acknowledges that Seller has advised Buyer to make his/her own evaluation of the Property and to have the Property thoroughly inspected. Buyer has been further advised by Seller that all areas contaminated with mold, and/or other environmental hazards or conditions, should be properly and thoroughly remediated. Additionally, Buyer has been advised by Sellers that habitation of the Property without complete remediation may subject the inhabitants to potentially serious health risks and/or bodily injury. Buyer acknowledges that it is the sole responsibility of Buyer to conduct any remediation on the Property.

Buyer also acknowledges that Buyer is buying the Property AS-IS. Buyer represents and warrants to Seller that Buyer has made (or will make before closing on the purchase of the Property) his/her own inspection and evaluation of the Property to Buyer's complete satisfaction, and Buyer accepts the Property AS-IS at the time of closing. Buyer is electing to purchase the Property from Seller in an AS-IS condition with full knowledge of the potential condition of the Property, the potentially serious health risks, and the potential liability that Buyer could incur as the owner of the Property for claims, losses, and damages arising out of any toxic mold contamination and/or other environmental hazards or conditions on the Property. Buyer agrees that the purchase price of the Property reflects the agreed upon value of the Property AS-IS taking into account the aforementioned disclosures.

Buyer understands and acknowledges that the Property was acquired by Seller through foreclosure, deed in lieu of foreclosure, or similar process, that Seller has never occupied the Property, and that Seller has little or no direct knowledge regarding the condition of the Property. Buyer further acknowledges that Seller has not made and does not make any express or implied representations or warranties of any kind with respect to the environmental condition of the Property or whether the Property is in compliance with applicable local, state, or federal environmental or other laws, statutes, regulations, rules, ordinances, codes, or standards ("Laws").
