Job Title

Which Boards would you like to apply for?

Beach & Shore Preservation Advisory Committee: Submitted

How long have you been a resident of Indian River County?

1961-2001, Nov 2023-present

Are you a full-time or part-time resident? Select one. *☒ Full Time

Please list current employer or businesses. If retired, please list any business experience that may be applicable to the committee.

Retired Navy engineering officer whose career was associated with base maintenance and operations, construction administration, and engineering support of naval installations. Strong focus on environmental and land management operations as installations had pristine land and aquatic preserves and environmentally restricted areas. Second phase of professional career was as the Chief Engineer, UT MD Anderson Cancer Center, with oversight of facilities operations, maintenance, engineering of infrastructure systems, building envelop systems, roads and grounds and was involved in land management and environmental controls.

Please list any licenses you presently hold:

Texas Board of Professional Engineers from 2001 - 2025. Florida Board certified from 1987 - 2022. Florida license can be restored.

Please list any organization of which you are currently a member:

U.S. Naval Institute Military Officers Association St Paul's Church

Please list any other committees or boards you currently sit on:

None

Interests & Experiences

Why are you interested in serving on a board or commission?

I grew up here and completed my primary and secondary education in the Indian River County System before attending the University of Florida. I was always interested in the ocean, the waterways and the surface water systems with a major focus in regard to shore and environmental protection as well as water management associated with storm and disaster response. In the Navy, I was privileged to be responsible for environmental and shore protection issues in San Diego and Pt Mugu, California, in the Trust Territories of Micronesia on Pohnpei Island and Chuuk Lagoon, at the US Naval Base in Rota, Spain, at the Navy Submarine Base on the Hood Canal in Bangor, Washington and at the Naval Weapons Station in Yorktown, Virginia on the James River. My interests is in long term protection of the beach and shoreline and to ensure access for generations to come that is fair and equitable.
