Subject: Local Option Gas Tax Distribution Formula for 2020/2021

XXXXXXXXXX:

The County has downloaded the total transportation expenditures for your city, (\$XXXXXXXX) for the fiscal year 2020/2021 from the Local Highway Finance Report. To complete the tax distribution formula, we need to obtain the number of lane-miles of roads, as well as the number of bridges, under your jurisdiction.

For your use, I have attached a copy of the Local Option Gas Tax Distribution Formula table for 2021, with the lane-mile/bridge information received from 2019/2020. I have highlighted your agency totals in yellow.

Please transmit the 2020/2021 lane-mile and bridge information to my attention at the Indian River County Public Works Department as soon as possible. Preferably, you can email the information to: lclark@ircgov.com. A new table, which shows the gas tax distribution percentages based upon the formula, to be effective FY 2022/2023, will be sent to you.

The County expects to schedule a public hearing in May on this issue.

Please contact me at (772) 226-1379, if you have any questions.

Sincerely,

Richard B. Szpyrka, P.E.
Public Works Director

RBS/lmc
