ITEM 14.B.1

**INDIAN RIVER COUNTY
BOARD OF COUNTY COMMISSIONERS**

INTER-OFFICE MEMORANDUM

TO: Members of the Board of County Commissioners

DATE: March 29, 2017

SUBJECT: Moment of Prayer for First Responders

FROM: Peter O'Bryan
Commissioner, District 4

Request Board approval to amend our agenda to add the following subject. "Moment of Prayer for First Responders". Item should be inserted immediately after 'Call to Order'.

Background: At the March 14th Board of County Commissioners meeting Pastor Larry Boan of Central Assembly made a presentation for a prayer event for all First Responders that was held on March 16 at Riverside Park. The event was well attended by both the public and First Responders. As part of the event, approximately 20 – 25 priests, pastors, rabbis etc. committed to saying a daily prayer for our First Responders. I am asking the Board to show a similar commitment by adding the above item to our agenda.
