ITEM 14.E.1

INDIAN RIVER COUNTY  
BOARD OF COUNTY COMMISSIONERS

INTER-OFFICE MEMORANDUM

---

TO: Members of the Board of County Commissioners

DATE: January 23, 2017

SUBJECT: Alliance Bioenergy Post Process Yard Waste

FROM: Tim Zorc  
Commissioner, District 3

---

**Discussion Item:**

I would like to discuss an option proposed by Alliance Bioenergy for post process yard waste. Alliance Bioenergy is in the process of taking over the INEOS site and they desire the option, upon 90-day notice, to obtain from the County the post process yard waste. There is no fee or charge associated with the yard waste and the County will not guarantee the quality or quantity of the post process yard waste. Finally, the County will keep a percentage of the yard waste.

I would like the Board to consider approving the concept of the option and directing County staff to draft the option and bring it back to the Board of County Commissioners for approval on February 7, 2017, the next Board meeting.
