

BEACH AND SHORE PRESERVATION ADVISORY COMMITTEE

March 15, 2021

David Barney

Dear Chairman Flescher:

On behalf of the Indian River County Beach and Shore Preservation Advisory Committee, I am writing this letter to advise you of our support for the final draft of the 2019 Beach Preservation Plan (BPP). The document is expected to be presented for approval by the Board of County Commissioners (BCC) at an upcoming, regularly-scheduled meeting.

The text has been carefully reviewed by our Committee members and we feel it is an excellent blueprint for protecting one of our County's most precious natural resources. In fact, at our meeting on March 15, 2021, the members voted unanimously (8-0) to accept the revised BPP and recommend it to the BCC for approval.

Should you have any detailed questions regarding our thought process, please feel free to contact me directly at 772-913-2349 or daveconb@gmail.com.

Sincerely,

A handwritten signature in cursive script that reads "David Barney".

David Barney, Chairman
Indian River County Beach and Shore Preservation Advisory Committee
