Work Order 2018008-03
Sebastian Inlet Technical Advisory Committee Assistance**

Dear Eric:

This proposal outlines a scope of work for Aptim Environmental & Infrastructure, LLC (APTIM) to provide technical assistance to the County during Technical Advisory Committee (TAC) meetings for the Sebastian Inlet.

Task 1: Technical Advisory Meetings

APTIM will attend the TAC meetings hosted by the Florida Department of Environmental Protection. It is proposed that up to three (3) meeting will be attended in person during the course of the study.

Deliverable

A summary will be provided following each TAC meeting to document comments during the meetings.

Schedule & Assumptions

APTIM will provide the deliverable within 5 calendar days of the TAC meeting.

Cost

The lump sum cost for this task is \$5,604.00.

Task 2: Literature Review and Coordination

Available studies from past and current efforts will be reviewed for historic context and past beach and inlet performance. APTIM will provide comments on the study findings prior to and after attending TAC meetings. Recommendations will be made to the County based upon these findings. Periodic coordination meetings concerning the status of the study will be conducted with the County and APTIM as needed via conference calls.

Deliverable

Recommendations will be provided to the County as information becomes available from the TAC.

Schedule & Assumptions

APTIM will provide recommendations within a timely manner dependent upon the volume of information

received from study.

Cost

The lump sum cost for this task is \$7,450.00.

Summary

The total lump sum cost to perform the work described herein is \$13,054.00. The scope and fee were developed following the provisions of the Continuing Services Contract Agreement for Continuing Engineering Services 2018008 (dated April 17, 2018 and amended May 18, 2021) between Indian River County and APTIM.

Thank you for the opportunity to serve Indian River County. Please do not hesitate to call if you have any questions.

Sincerely,
