Storybook Heroes Come to Life

* A week of imagination, listening, creativity, recognition, and literacy—celebrating the heroes shaping brighter futures for children and families.

Children's Week:
EVERY CHILD DESERVES A
HERO

Monday: Build Like a Hero

Main County Library | 4PM to 5PM

The Great Library Build-Off

Young builders become problem-solving heroes as they design and create imaginative structures using LEGOs, KEVA Planks, K'NEX, and more.

This hands-on build-off encourages creativity, teamwork and critical thinking while celebrating the power of play and innovation at the library.

Tuesday: Heroes Listen

Voices of Families Day

Local nonprofit partners step into their hero role by **listening first**. Agencies will collect parent and caregiver feedback to help inform future services and strengthen support for children and families across Indian River County. We will also celebrate a standout program that shares a powerful success story.

Wednesday: Color Your Cape

Heroes in Color Art Challenge

Children from across Indian River County will show us what a hero looks like to them by designing and coloring their own superhero cape. Submitted artwork will be displayed and voted on at the Golden Impact Awards, giving young voices a chance to shine and reminding us that heroes come in all colors, styles, and sizes.

Thursday: The Golden Impact Awards

IG Center | 2PM to 4PM

Celebrating Our Everyday Heroes

County residents gather at the IG Center to honor the inspiring heroes in our community. Outstanding volunteers, educators, and youth who have made a positive impact will be recognized for their dedication and service, highlighting the golden impact of their efforts.

Friday: Storybook Heroes Come to Life

Storybook Village

Storybook Village

County Commissioners and community leaders bring literacy to life by reading to our youngest learners at Childcare Resources. Through storytelling and imagination, children experience the magic of books while seeing community leaders model the power of reading, connection, and early learning.
