

INDIAN RIVER COUNTY, FLORIDA
AGENDA ITEM
Assistant County Administrator /
Department of General Services
Parks and Recreation

Date: June 10, 2022

To: The Honorable Board of County Commissioners

Through: Jason E. Brown, County Administrator
Michael C. Zito, Assistant County Administrator

From: Beth Powell, Parks and Recreation Director

Subject: Authorizing Resolution to Delegate Signature Authority for Grant Applications to Various Agencies

BACKGROUND

Divisions within the General Services Department actively seek grants from various organizations to help fund projects and tasks in-line with Departmental and County objectives. Such grants often require extensive application packets in order for the granting agency to review and rank the applications for award. Staff requests the Board of County Commissioners (BCC) approve an Authorizing Resolution to delegate signature authority on grant applications to the Assistant County Administrator, Parks and Recreation Director, and Conservation Lands Manager, such that approved staff can submit grant applications on behalf of the County to various agencies including but not limited to: Florida Fish and Wildlife Conservation Commission (FWC), Florida Department of Environmental Protection (FDEP), Florida Inland Navigational District (FIND), and St. Johns River Water Management District (SJRWMD).

FUNDING

Funding is not needed for this agenda item. Should a grant application lead to an award of funds to the County for a project, a separate agenda item covering the award of funds will be prepared and brought before the BCC for consideration. If the awarded grant requires a County funding element, the funding account for the project will be identified in the agenda at that time.

RECOMMENDATIONS

Staff recommends the authorizing Resolution be approved for the Chairman's signature delegating signature authority for various agency grant application submittals to the Assistant County Administrator, Parks and Recreation Director, and/or Conservation Lands Manager.
