To Whom It May Concern

In an effort to alieve the shortfall in funding for the sea turtle monitoring program for 2018 in Indian River County the Friends of Sebastian Inlet State Park is prepared to offer a onetime commitment of \$5000. Hopefully, with others contributing, the program will be able to continue uninterrupted. We at Sebastian Inlet State Park are well aware the sea turtle nesting monitoring program is critical to the continued recovery of the sea turtle population.

The funds will be available at the time of your choosing. Feel free to contact me with payment details.

Sincerely,

Gerry Audlee
President, Friends of Sebastian Inlet State Park
