March 15, 2017

Dear Mr. Brown,

I would like to formally request that only the matter regarding the request for permission to permit/install (in the future) up to three (3) dune crossovers from the Town 5+ acre property - across the Tracking Station Park property - to the beach, be placed on the IRCC agenda for the April 4th Commission meeting as discussed.

Based on our conversation with you and your staff, it is my understanding that either you or the County Attorney will bring this item before the Commission for consideration and that your staff has agreed to recommend approval. Please let me know if there is anything you need from my office.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert H. Stabe Jr.", is written over a horizontal line.
