Subject: RE: INEOS Tax Abatement Annual Report for Indian River County Facility

We have 4 employees left at the plant for 2017. I don't think that we will meet the criteria for 2017 tax abatement.

Thanks,
Michelaire

Subject: INEOS Tax Abatement Annual Report for Indian River County Facility

Please verify the status of the INEOS plant and what number of employees are currently at the plant. Do you anticipate meeting tax abatement criteria and filing an annual report? Thanks.....Stan Boling, IRC Community Development Director
