MEMORANDUM

TO: Board of County Commissioners
FROM: Dylan Reingold, County Attorney 
DATE: January 2, 2018
SUBJECT: 2018 Committees Vacancies

On September 13, 2011, the Board of County Commissioners adopted Resolution 2011-072, which assigned to the County Attorney's Office the task of monitoring certain committee member terms, and overseeing the process of annual appointments and reappointments. Pursuant to this process, on November 21, 2017, the Board reappointed a significant number of incumbent committee members to another term (that is, members presently serving on a committee who are eligible for another term, and who asked to be reappointed). There are qualified applicants to be considered for appointment to the committee's vacancy for the Environmental Control Hearing Board. Committee vacancies have been advertised on the County's website, on Channel 27.

The following are the names of the qualified applicants, whose résumés and applications are available for review in the Commissioners' Front Office area:

Environmental Control Hearing Board - "Member-at-Large: Citizen not holding elective office"

- Christopher Murphy
- Gary D. Randall

Attached is a list of the remaining committee vacancies (note: several vacancies are designated positions – that is, the committee member must be an architect, engineer, etc).
