Subject: Waiver of Bid – Authorizing the Renovation of the Myrtha Skin Liner at the North County Aquatic Center by A and W Flooring Inc.

BACKGROUND

The North County Aquatic Center (NCAC) was constructed in 2001 – 2002 and the competition pool that was installed at the facility is a Myrtha Pools USA Inc. system which is a stainless-steel modular panel structure lined with a Myrtha Skin that creates the waterproof liner of the pool.

The liner of the competition pool at the NCAC must be replaced. The current liner has a temporary patch with wrapped steel plates holding a large area of the liner in place. The warranty period for a Myrtha Skin liner is 10 years from the completion of installation. The liner of the NCAC is 20 years old and has exceeded its projected lifecycle and this condition is beyond a permanent repair.

Myrtha Pools has designated A and W Flooring, Inc. as the only authorized liner repair and replacement contractor in our region.

FUNDING:

The cost of this project is comprised of two main elements, dewatering (\$70,300) and pool repairs/liner replacement (\$285,798), for a total project cost of \$356,098. Funding for this project was included in the 5 Year Capital Improvements Program and the Capital Improvements Element of the Comprehensive Plan for FY 2021/22-2025/26. Funds were budgeted in the amount of \$400,000 in the Optional Sales Tax/NCAC/NCAC Pool Liner Replacement account, number 31510472-066510-22008.
