**INDIAN RIVER COUNTY  
BOARD OF COUNTY COMMISSIONERS**

**INTER-OFFICE MEMORANDUM**

---

**TO:** Members of the Board of County Commissioners

**DATE:** March 30, 2022

**SUBJECT:** Appointment of Vice Chair Earman to Medical Examiner's Building Advisory Committee

**FROM:** Peter D. O'Bryan, Chairman  
Commissioner, District 4

---

**Discussion Item:**

After the Tri County meeting where a presentation was made by the Medical Examiner's office for a new Office Building, Ann Bolduc with Senator Gayle Harrell's office organized an advisory committee with each county having a representative. The Board approved me to be the representative. Due to a scheduling conflict on the first meeting, I requested that the Board approve of Commissioner Joe Earman to be my alternate. This was approved by the Board and Commissioner Earman attended the first meeting of the committee.

As this process seems to be slow moving and very drawn out, and my time is running out on the Commission, I believe it is in the best interests to appoint Vice-Chairman Earman as the Primary appointee to the committee.
