Re: 2022 Annual CPI Notice – IRC Facilities Contract

Dear Mr. Brown:

Waste Management appreciates the opportunity to provide solid waste collection services to Indian River County.

In accordance with article 4.04 B Amended; Waste Management Inc. of Florida, is submitting this notice for the annual rate adjustment to reflect changes in the cost of doing business. These new rates would go into effect on October 01, 2022, if the roll off franchise amendment is successfully removed from the franchise agreement by September 30, 2022. If this is not successful, then these rates would be good for six months, or until such time we are able to negotiate a renewal of the government facilities recycling contract.

Latest data reflected in the Consumer Price Index for Urban Consumers (CPI) serves as the basis for the 3.00% adjustment. Please note that 75% of the CPI change came to 7.05%, but we have the Not to Exceed clause of 3.00% in our contract.

We value and thank you for the privilege of serving the residents and businesses of Indian River County.

Please feel free to contact me at (407) 466-4079 if you have any questions.

Thank you.
