SUBJECT: Update - 2023 State Legislative Program

BACKGROUND

The attached document was presented to you in draft form, highlighting legislative priorities identified by staff. The Board provided comments and guidance. Many of these issues have now also been discussed at the Four County Commission meeting held on January 11th in St. Lucie County and at the FAC Legislative Conference held in St. Petersburg, November 29 – December 2, 2022.

Both the Board's comments, the issues of mutual interest discussed at the Four County Commission meeting, and the priority issues adopted by the FAC Policy Committees as well as those of the Small County Coalition Policy Committees, discussed during the FAC Legislative Conference, have been incorporated into the attached IRC 2023 Legislative Guiding Principles document.

RECOMMENDATION
