

Indian River County Library System

Annual Plan of Service FY 2023/2024

The Annual Plan of Service is an outline of the Indian River County Library System's focus of activities during the year. The plan supports the goals, objectives, and action plan from the Library System's Long-Range Plan, and is supported by the Library System's budget as described.

The major emphasis during **Fiscal Year 2023/24 (October 1, 2023 to September 30, 2024)** will be:

- Continue providing quality library services to all county residents.
- Continue providing comprehensive collections, both print and digital.
- Continue providing public computers and internet access.
- Continue providing technology training for the public.
- Continue providing cultural, educational, informational, and recreational programming for all ages.
- Continue providing welcoming spaces for residents to meet, interact, read, and study.
- Continue offering adults the opportunity to earn an accredited high school diploma and career certificate through Career Online High School.
- Continue service to the South County area through the use of a state-of-the-art Vending Library located at the Intergenerational Center.
- Continue Archive Center digitization projects to preserve local and Florida history.
- Make use of the newly constructed multi-purpose children's room at North IRC Library to provide educational and recreational programming to infants through teenagers.
- Continue providing materials and information services that are responsive to the diverse needs of the public and ensuring accessibility for all.
- Explore opportunities to increase outreach services for the community.
- Seek avenues of raising public awareness of the Library's resources and services.
