HEC Project No.: 2315

Sub: Letter of Interest to Lease Property

Dear Mr. Mehta,

Thank you for meeting with us after the ribbon cutting ceremony for Oslo Rd and showing us the area you may have available for a staging area for this project. See the attached areal overview of the area which appears to be approximately two acres. HEC would be interested in leasing this property from the County as a staging area for the Oslo Rd project. The area would be cleared, leveled off, and stabilized, and left in a condition acceptable to the Solid Waste Disposal District upon completion.

Please let us know if this is something the County would consider.

Respectfully submitted,

John Morris
Vice President
