Subject: Gifford Gardens Funding

CAUTION: This message is from an external source. Please use caution when opening attachments or clicking links.

Funds will be utilized for the development of a single-family subdivision of up to 14 homes on the property located at 4730 40th Ave. Use of funds will include all predevelopment work, survey, environmental, engineering, permitting, sitework, and infrastructure construction. This will also include the purchase of materials for installation of infrastructure, including fill dirt, concrete, sewer, road, utilities, signage, and recreation spaces.

Trevor Loomis

President and Chief Executive Officer
