RE: TAC II SCADA System
Sole Source Status

Dear Ms. Alexander:

Please consider this document official confirmation that Data Flow Systems, Inc. (DFS), of Melbourne, Florida, is the sole source provider for all TAC II SCADA System Remote Terminal Units (RTUs), Radio Interface Modules, Power Supply Modules, I/O Function Modules, TAC Pack TCUs, and HyperTAC II SCADA Software currently utilized by Indian River County, FL. DFS is also the sole source provider for all associated repairs, service and training.

DFS is responsible for the design, manufacture, installation and service of the entire TAC II SCADA System. There are no other manufacturers, dealers, distributors or service organizations that offer the TAC II Telemetry System or associated repairs, service and training in the State of Florida.

Please let me know if I can be of further assistance or if any additional information is required. You can contact me at 321-259-5009.

Sincerely,

Data Flow Systems, Inc.
