RESOLUTION NO. 2018-_____

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF INDIAN RIVER COUNTY, FLORIDA, as follows:

1. The foregoing recitals are affirmed and ratified in their entirety.
2. The special assessments imposed for the Assessment Project against the specially benefited properties in the Assessment Area shown on the assessment roll attached hereto as Exhibit "A" and incorporated herein by this reference are hereby confirmed and approved, and shall remain legal, valid, and binding first liens upon and against the specially benefited properties shown on attached Exhibit "A" until paid in full. The special assessments for the Assessment Project shall constitute a lien against the specially assessed property in the Assessment Area equal in rank and dignity with the liens of all state, county, district or municipal taxes, and other non-ad valorem assessments. Except as otherwise provided by law, such special assessment lien shall be superior in dignity to all other liens, titles and claims, until paid. The special assessment lien shall be deemed perfected upon adoption by the Board of this Resolution and recordation of this Resolution in the Official Records of the County maintained by the Clerk of Indian River County. Such recordation shall constitute prima facie evidence of the validity of the special assessments imposed for the Assessment Project in the Assessment Area.
3. The special assessment imposed per parcel is in the amount of **\$5,200.00**, and shall be due and payable and may be paid in full without interest within 90 days after the date of the passage of the as-built resolution by the Board. The as-built resolution occurs after completion of the improvements. If not paid in full within the 90-day period from the passage of the as-built resolution, then the special assessment may be paid in ten equal yearly installments of principal plus interest; said interest rate to be determined by the Board when the improvements are completed.
4. The Board hereby finds and determines that the special assessments imposed in accordance with this Resolution and Resolution Nos. **2018-010** and **2018-011** provide an equitable method of funding the construction of the Assessment Project based upon the current uses, sizes, zoning and development potential of the parcels which are equally benefited by the provision of water, and thus the allocation of the assessment will be equal per parcel as described in Resolution No. **2018-010**. The Board hereby finds and determines that the properties assessed by this Resolution will receive special benefits equal to or greater than the cost of the special assessment.
