**RE: Jones' Pier Conservation Area Wetland Restoration Project
Civil Engineering and Surveying Services Proposal
CAI Project No. 18-39 E**

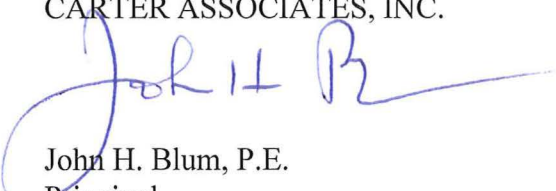

Dear Wendy:

It is our pleasure to present for your acceptance, the following estimate for Civil Engineering and Surveying services associated with the above referenced project. We have based our proposal on the provided 'Draft Statement of Work' and meeting with yourself and Beth Powell on April 20, 2018. Please find attached an ENGINEER's scope of services and budget outlining the steps required to develop the stormwater management and wetlands restoration plan along with the associated design and permitting fees. Additional services required, but not included in the estimate, will be provided at our hourly rates, a copy of which is attached.

Thank you for giving us the opportunity to submit a proposal for our services. We look forward to working with you on this project. Should you have any questions or need additional information, please do not hesitate to contact me at our office.

Sincerely,

CARTER ASSOCIATES, INC.

John H. Blum, P.E.
Principal
