RE: 2018-2019 Fee Schedule (Effective August 1, 2018)

Dear Mr. Brown:

Please find attached the proposed FY 2018-2019 fee schedule for the Florida Department of Health in Indian River County for your review and formal approval by the Indian River County Board of County Commissioners.

Under Section 154.06 Florida Statutes, "Each county may establish, and each county health department may collect fees for primary care services provided that a schedule for such fees is established by resolution of the board of county commissioners or by rule of the department respectively." We have provided an updated itemized fee schedule for all health department services.

Please feel free to call me at 794-7450 if you have any questions. We will be available to the commission when the fee schedule is presented.

Sincerely,

Miranda C. Hawker, M.P.H.
Health Officer
