

Indian River County, Florida
Department of Utility Services
Board Memorandum

Date: July 3, 2019

To: Jason E. Brown, County Administrator

From: Vincent Burke, PE, Director of Utility Services

Prepared By: John M. Boyer, P.E., Utilities Engineer

Subject: Work Order No. 18 for Kimley-Horn and Associates, Inc., Oslo Road & I-95 Interchange Utility Relocations, FDOT Project 413048-2

Background:

The Florida Department of Transportation (FDOT) is in the design phase of the proposed interchange with Oslo Road and I-95. The project will impact existing Indian River County Department of Utility Services (IRCDUS) water, reuse, and sewer utilities along the Oslo Road and 82nd Avenue rights of way. IRCDUS has therefore decided to hire Kimley-Horn and Associates, Inc. (KH) to prepare a utility relocation design.

Analysis:

On April 17, 2018, the Board of County Commissioners (BCC) approved the Continuing Contract Agreement for Professional Services with KH. In accordance with that agreement, KH will provide professional services to prepare Engineering Design Plans and Specifications.

Funding:

Funds for this project are derived from the R & R budget in the operating fund. The operating fund budget is derived from water and sewer revenues.

Description	Account Number	Amount
Oslo Road & I-95 Interchange Utility Relocations	471-169000-19565	\$ 125,890.00

Recommendation:

Staff recommends the Board of County Commissioners approve Work Order No. 18 with Kimley-Horn and Associates, Inc., for a lump sum amount of \$125,890.00.
