**TO:** Members of the Board of County Commissioners

**FROM:** Brian Sullivan  
Legislative Affairs & Communications Manager

**DATE:** June 29, 2020

**SUBJECT:** Review of 2020 Florida Legislative Session

---

**BACKGROUND**

The Florida Legislature adjourned the 2020 Florida Legislative Session on March 19<sup>th</sup>. During this year's Legislative Session, Indian River County was specifically involved in legislation related to the following:

- Biosolids
- High speed passenger rail
- County boundary between Indian River County and St. Lucie County
- Renaming the Wabasso Causeway bridge the "A.B. Michael Bridge"
- Short term vacation rentals

Indian River County also received an appropriation of \$750,000 toward the Indian River County North Sebastian Septic to Sewer Phase 2 project.

Additionally, Indian River County staff and commissioners worked alongside fellow counties and the Florida Association of Counties to protect the home rule authority of Florida's local governments.

**STAFF RECOMMENDATION**

Direct staff to prepare a letter to the Indian River County Legislative Delegation thanking Senator Mayfield and Representative Grall for their support of Indian River County's 2020 Legislative priorities.
