**DESCRIPTIONS AND CONDITIONS:**

On September 17, 2019, the Board County Commissioners approved a Standard Grant Agreement with The State of Florida, Department of Environmental Protection (DEP) for a grant through the Coastal Partnership Initiative for the Jones' Pier Conservation Area. Task 1 is to construct the Saltmarsh wetland and Task 2 is to complete the restoration of the Hydric Hammock. The grant agreement with Indian River County provides a \$50,000 federal reimbursement with a County cash match of \$50,000. The term of the agreement was through June 30, 2020.

Due to delays with the culvert installations, staff requested a no cost grant extension from DEP to extend the completion date to December 31, 2020. DEP staff provided an amendment to the agreement after review. Amendment Number 1 to the grant agreement was executed by the County Administrator and was subsequently provided to DEP on June 18, 2020, in order to meet the grant deadline of June 30, 2020.
