HUD RENEWS FUNDING FOR THOUSANDS OF LOCAL HOMELESS PROGRAMS

\$2.5 billion to renew existing grants for more than 6,500 community-based housing and service providers

WASHINGTON - The U.S. Department of Housing and Urban Development (HUD) today awarded \$2.5 billion to renew support to thousands of local homeless assistance programs across the nation. HUD's Continuum of Care (CoC) grants will provide critically needed support to 6,597 local programs on the front lines of serving individuals and families experiencing homelessness. See local impact of funding below.

Due to the pandemic, the funding announced today renews grants for existing programs. This process was dramatically streamlined because communities have been and will continue to be consumed with COVID-19 response and have limited capacity to participate in the traditional CoC competition.

"HUD wants to ensure that thousands of local homeless assistance providers continue to receive federal funds needed to provide stable housing for people experiencing homelessness during these trying times," said Acting HUD Secretary Matt Ammon. "Renewing these grants not only offers relief to our local partners but it allows Continuums of Care to continue their work to end homelessness and help keep our most vulnerable neighbors off the streets."

"We are excited about the opportunity to provide funding without diverting the attention of communities from the vital work of preventing, preparing for, and responding to the pandemic," said James Arthur Jemison, Principal Deputy Assistant Secretary for Community Planning and Development.

HUD's Continuum of Care grant funding supports a broad array of interventions designed to assist individuals and families experiencing homelessness, particularly those living in places not meant for habitation, located in sheltering programs, or at imminent risk of experiencing homelessness. Each year, HUD serves more than a million people through emergency shelter, transitional, and permanent housing programs.

PLEASE SEE ATTACHED SPREADSHEET WHICH CONTAINS ALL OF OUR EXISTING GRANTS WHICH HAVE ALL BEEN RENEWED. ADJUSTMENTS WERE MADE TO ACCOUNT FOR MINOR INCREASES IN FAIR MARKET RENTS.

There has not been an assignment of new numbers, as yet, but I suspect that will be forthcoming.
