SUBJECT: Sole Source Purchase of Eight (8) Stryker Lifepak 15 v4 Cardiac Monitors

It is respectfully requested that the information contained herein be given formal consideration by the District Board of Commissioners at the next scheduled meeting.

DESCRIPTIONS AND CONDITIONS:

Staff is seeking the sole source purchase of eight (8) Stryker Lifepak 15 v4 Cardiac Monitors. The Board has designated Stryker (formerly PhysioControl) Lifepak's as sole source since 2008, most recently on September 12, 2017. The Stryker Lifepak's are found on each Advanced Life Support (ALS) unit throughout the fleet and have reached their end of life usage. Staff has obtained price quotes for the proposed replacement of eight (8) Lifepak's that are currently assigned, which reflects a trade in discount of eight (8) older units, the trade in for the outdated units has already been deducted from the base unit price. Staff recommends that the Board of County Commissioners declare asset numbers 27657, 27658, 27659, 27655, 27656, 27909, 24910, and 27502 as surplus and authorize their trade in for a 50% discount on the purchase of the new Lifepak's. The replacement Lifepak's are considered an approved expense under the CARES Act funding. This purchase will complete the multi-year replacement program for all Version 1 and Version 2 Lifepak's within the fleet.

FUNDING:

Funding for the eight (8) Stryker Lifepak's is an allowable expense and funds are available in the Emergency Services District/Fire Rescue/Other Machinery & Equipment/CARES Act account (11412022-066490-20701).
