**SUBJECT:** Sole Source Purchase of Eleven (11) Stryker CR2 AED Defibrillators

It is respectfully requested that the information contained herein be given formal consideration by the District Board of Commissioners at the next scheduled meeting.

**DESCRIPTIONS AND CONDITIONS**

Staff is seeking the sole source purchase of eleven (11) Stryker CR2 AED Defibrillators to replace our outdated LifePak 500's. The Board has designated the Stryker (formerly PhysioControl) Lifepak's as sole source since 2008, most recently on September 12, 2017. The Stryker LifePak 500's are found on Basic Life Support apparatuses and administration vehicles, throughout the fleet and have reached their end of life usage. Twenty (20) Stryker CR2 AED's have already been purchased from budgeted funds, and those AED's have been distributed and placed in many of our frontline units, while the others were provided to County lifeguards. At this time, staff is seeking approval to purchase an additional eleven (11) Styker CR2 AED Debrillators to replace the LifePak 500's. Staff has obtained price quotes for the proposed replacement of eleven (11) Lifepak 500's that are currently assigned, which reflects a trade in discount of eleven (11) older units. Staff recommends that the Board of County Commissioners declare asset numbers 19933, 23658, 23659, 23661, 23662, 23669, 23670, 23672, 23675, 23678, and 23679 as surplus and authorize their trade in for a \$1,100 discount on the purchase of the new Stryker CR2's. These replacement Lifepaks will be funded through PEMT funds, which have already been acquired.

**FUNDING:**

Funding for the eleven (11) Stryker Lifepak's is available in the Emergency Services/Fire Rescue/Other Machinery & Equipment/PEMT Capital Budget account as follows:

ACCOUNT NAME	AMOUNT	ACCOUNT NUMBER
Emergency Services/Fire Rescue/Other Machinery & Equipment	\$19,302.25	11412022-066490-20023

**RECOMMENDATION:**

Staff recommends the Board declare asset numbers 19933, 23658, 23659, 23661, 23662, 23669, 23670, 23672, 23675, 23678, and 23679 as surplus, authorize their trade in and approve the sole source purchase of eleven (11) Stryker CR2 AED defibrillators. Staff also requests the Board renew the designation of Stryker as the sole source for Stryker CR2 AED Defibrillators, service and accessories.
