Re: Appointment for Environmental Control Officer

Dear Indian River County Board of County Commissioners:

The current Environmental Control Hearing Board (ECHB) Officer, Cheryl Dunn, is retiring at the end of the year and plans to take leave beginning October 29, 2021. To provide for a seamless transition for this position, I am strongly recommending the appointment of Julianne Price, R.S, as the new Environmental Control Officer effective October 29, 2021.

Julianne has over 20 years of experience and expertise in the environmental health field and has agreed to assume the position. She is well known to our community as a dedicated public servant and is well equipped to serve as the Environmental Control Officer.

If you have any questions or concerns, please feel free to contact me directly at 772-794-7452.

Sincerely,

Miranda Hawker, MPH
DOH- Indian River Health Officer
