Transmittal Hearing: County Initiated Request to Amend (Update) the Text of the Capital Improvements Element of the County’s Comprehensive Plan to Modify Certain Concurrency Management Requirements and to Update the Transportation Element to Modify Certain Transportation Level of Service Standards, and to Remove and Replace Outdated Text, Data, and Maps (Legislative)

Based on the analysis performed, staff and the Planning and Zoning Commission recommend that the Board of County Commissioners: 1. Adopt the resolution for transmittal of the proposed comprehensive plan text amendment to the state and regional review agencies, and 2. Announce its intention to hold and advertise a final public hearing at the adoption stage of the plan amendment process (tentatively planned for September or October 2019).
