Synagro Dewatering and Sewage Sludge Removal Contract Renewal and Price Increase

The staff of Indian River County Department of Utility Services (IRCDUS) recommends that the Board of County Commissioners (BCC) approve the renewal of the contract with Synagro for one 12-month term and approve the 1.5% price increase effective March 1, 2019, and authorize the Chairman to execute the sample extension after approval by the County Attorney as to form and legal sufficiency. Staff also recommends the BCC authorize the Purchasing Manager to renew the agreement for the final term, upon recommendation by the Director of IRCDUS that the services provided are consistent with contractual requirements and renewal would be in the best interest of the County, and approval of the renewal document by the County Attorney as to form and legal sufficiency
