Work Order No. 34 with Kimley-Horn and Associates for Design, Procurement and Construction Administration to Replace Aging Controls for the Reclaimed Water Pumps with Variable Frequency Drives at South Regional Wastewater Treatment Plant

Staff recommends that the Board of County Commissioners approve Work Order No. 34 with Kimley-Horn and Associates, in the amount of \$74,000.00, for Professional Services that include design, specifications/bid documents, and construction observation services to replace aging controls for the reclaimed water pumps with variable frequency drives and ultrasonic level controls at the South Regional Wastewater Treatment Facility, and authorize the Chairman to execute said work order on their behalf
