CONTINUED FINAL PUBLIC HEARING: County Initiated Request to Amend (Update) the Text of the Sanitary Sewer Sub-Element for Septic to Sewer Conversion and the Associated Text of the Future Land Use Element of the County's Comprehensive Plan (Legislative)

Based on the analysis, staff recommends that the Board of County Commissioners re-open the public hearing, take and consider public comments, and consistent with staff's and the Planning and Zoning Commission's recommendation approve the proposed Comprehensive Plan text amendment by approving the ordinance and authorize the Community Development Director to transmit the ordinance and any related materials to the state land planning agency and interested parties.
